

<p style="text-align: center;">SAFEPLACE CRIMINAL BACKGROUND CHECK DISCLOSURE</p>

I, _____, understand that as a condition of my employment, volunteerism or Board membership:

- I am required to have a criminal background check by the Washington State Patrol.
- My criminal background check will be renewed every two years by SafePlace.

I understand that SafePlace will:

- Notify me by email when my background check is being run for renewal.
- Notify me of my criminal background check results.
- Provide a copy of the Washington State Patrol's response at my request.

If a criminal background check reports a criminal history record, I understand that:

- I shall be given an opportunity to explain that record to the Executive Director.
- A criminal conviction may make me ineligible for employment, to volunteer, or for Board membership.

I hereby give my permission to have SafePlace request my criminal background from the Washington State Patrol:

1. As a condition of my employment, volunteerism or Board membership, and
2. Every two years thereafter, as a condition of my continued employment, volunteerism or Board membership.

I understand that if I revoke this consent/permission my employment, volunteerism or Board membership with SafePlace may be terminated.
